

WV 2

The New Kärcher WV 2 Window Vac is 10% shorter and lighter than the original window vac but now has a 25 minute battery run time, cleaning up to 75m² per charge.

The WV 2 sucks surfaces completely dry, streak free and makes it easier than ever to achieve crystal clear windows in an instant. It's also perfect for removing liquid from mirrors, shower screens, tiles, condensation from windows and even spills from floors and worktops.
