### Key selling points

- Highly durable case with bespoke foam inlay to protect and transport products
- Compact design is easy to store and stack

### Key features

- Contains the entire range of Skipper XS products
- Snap lock latches

### Product FAQs

**Q. Can I store other Skipper products in the case?**

**A.** Because of the bespoke foam inlay, only the supplied products can be stored in the case.

**Q. What colour tape does the included Skipper XS unit have?**

**A.** The included Skipper XS unit has the standard red/white chevron tape. Other tape variations such as black/yellow may be available upon request.
