RS Pro Crimp Tool, BNC, TNC, RG59, RG62 Wire Size

Product Details

50Ω & 75Ω Connector Crimp Tools

Two ratchet action crimp tools suitable for terminating the BNC, TNC, and UHF ranges of crimp connectors. The 50Ω version, identified by its Green handles, is mainly suitable for 50Ω connectors in cable group A, and a 75Ω red-handled tool, for 75Ω connectors in cable groups F & D.

Specifications:

Connector Type	BNC, TNC
Wire Size	RG59, RG62
Minimum Wire Size	RG59
Maximum Wire Size	RG62
