

Datasheet

Stock No: 284-3809

RS Pro Male BNC to Male BNC, 2m, impedance 50 Ω

Product Details

BNC Standard

Standard plug to plug BNC connectors.

RS Range

RF Coaxial cable assemblies terminated with connector types BNC, MMCX, SMA, SMC, MCX, N, SMB, TNC and UHF (PL 259). Certain assemblies are also available with 90° connector configurations.

Specifications

Connector A	Male BNC
Connector B	Male BNC
Length	2m
Characteristic Impedance	50 Ω
Coaxial Type	RG58
Cable Shape	Coaxial
