RS Pro Crimp Tool

RS Stock No: **399-2019**

Product Details

RS Pro crimp tool is a precision ratchet tool for crimping red, blue and yellow insulated crimp terminals. This tool is made from high grade steel and is tested to perform a minimum of 50000 cycles. It has a built in ratchet mechanism, which ensures that the jaws fully closed to complete the crimp before the finished termination can be released. The handles incorporate soft surface plastic rubber and rounded ends for improved handgrip.

Features and Benefits

- Handles incorporate soft surface plastic rubber and rounded ends for improved hand grip
- Unsuitable for un-insulated terminals.
- Made from high grade steel and tested to perform a minimum of 50000 cycles
