RS Pro 39 piece Engineers Screwdriver Set

RS Stock No: **833-5947**

Product Details

RS Pro engineers screwdriver set comes with 39 piece. It has comprehensive high quality professional screwdriver and bit set and is supplied with an EVA foam tool module for use in the RS range of roller tool cabinets and chests. The foam tool module is designed for regular easy removal from drawers and the bright red foam helps to identify the missing parts quickly.

Features and Benefits

- Large 31 piece 25 mm steel bit set
- Screwdrivers with phosphate tips for corrosion protection, strength and longer tool life
- Soft grip handles for reduced user fatigue and a comfortable grip
- Lanyard hole in driver handles for working at height
- VDE approved 1000 V voltage tester
