

## LENOX 6L Hole Saw SNAP-BACK™ Arbor 1CM

1768813

- Quick change faster design for changing hole saws
- Prevents threads from stripping off
- Prevents hole saw from locking on arbor
- No tools required
- No adapter required
- Easier plug removal

### Description:

The LENOX 6L Hole Saw SNAP-BACK™ Arbor 1CM features a quick-change design which is faster and easier at engaging/disengaging the hole saw. The unit drives off pins and not threads, preventing threads from stripping off. The tool free arbor prevents the hole saw locking onto the arbor.
